

Humans Are Dead
Flight of the Conchords

...HUMANS ARE DEAD... by Flight of the Conchords
-----.....

from Episode 1 (2007)

Verse 1:

(Jemaine & Bret):

Bm
The distant future, the distant future,
(Jemaine):
It is the distant future, the year 2000.
(Bret):
We are robots.
(Jemaine):
The world is very different.
Ever since the Robot uprising of the mid-90s;
There is no more unhappiness.
(Bret):
Affirmative.
(Jemaine):
We no longer say yes. Instead we say affirmative .
(Bret):
Yes, affirmative.
(Jemaine):
Unless it s a more colloquial situation with a few robo-friends.
There is only one kind of dance; The Robot.
(Bret):
And the Robo-Boogie.
(Jemaine):
Oh yes. Two kinds of dances.

(Jemaine & Bret):

Bm (n.G)
Finally, robotic beings rule the world.

Chorus 1:

(Bret):

Bm **Am**
The humans are dead, the humans are dead.
G **Am**
We used poisonous gasses, and we poisoned their asses.

Bm

The humans are dead.

(Jemaine): That s right they are dead,

Am

The humans are dead.

(Jemaine): They look like they re dead.

G

It had to be done,

(Jemaine):

I ll just confirm that they re dead...

Am

So that we could have fun.

(Jemaine):

(n.**G**)

Af-firmative. I poked one. It was dead.

Bridge 1:

Am

Can t we just talk to the humans?

C

Bm

A little understanding could make things better.

Am

B7

Can t we talk to the humans and work to-gether now?

No, because they are dead.

Binary Solo:

(Bret):

Bm (n.**G**) **Am** (n.**G**)

0000001, 00000011,

G (n.**G**) **Am** (n.**G**)

0000001, 00000011.

Bm

0000001,

Am

0000001,

G

000000111,

(Jemaine):

Am (n.**G**)

Come on sucker, lick my battery.

Coda:

Bm **Am**

Boogie, boogie, (Robo Boogie),

G **Am**

Boogie, Robo Boogie.

Bm (n.**G**)

(The humans are dead).

(n.**G**)

Once again without emotion;

The humans are dead dead, dead dead dead dead dooo...
