I m a great Conchords fan - just wish they d release a proper album and spread the joy! Let me know if you can improve on the chords or just if you enjoyed playing.

Straightforward (and short) song. Most is palm-muted strumming 8 beats to the bar.

There s some finger picking at the beginning and end of the last verse, which is easy to copy if you listen to the record (normal chord shapes; just copy their rhythm and leave out the top string).

A kiss is not a contract, but it s very nice

Oh yes it s very nice

G C
Just because you ve been exploring my mouth

D7
Doesn t mean you get to take an expedition further south, no
