

Pencils In The Wind Tape Of Love
Flight of the Conchords

Consider this an addition to a pre-existing tab created by CougarCarlson, who made some minor errors, but nonetheless captured the overall mood and basic chord sequence of the song.

G **G/F#** **Em7** **Am**
Life is like retractable pencils,
 Am7 **D** **Dsus4**
if you push it too hard, it s gonna break.

...

It is more or less the same chord sequence throughout. To give some sort of timing perspective, if you don t have a copy (although why you would want to play it in this case, I m not sure), here s a handy time guide:

Tempo: 70bpm (Folk The World tour) 77bpm (TV Series)
4/4 Time
L: Lyrics

| **G** | | **G/F#** | | **Em7** | | | | **Am** | | **Am7** |

Chords:

G : 320033
G/F#: 220033
Em: 022033
Am: x02210
Am7: x02010
D: x00232
Dsus4: x00233

Rate me highly if this works out for you.
