

Rap Is Not Very Good
Flight of the Conchords

```
e:-----|
B:-----|
G:-----|
D:-----|
A:-----9-----|
E:-2-2-7-9----99-7-7-9-9-7-5-|
```

Other than the Bass Solo, this is the only riff in the song. Please remember this is a tab tabbed on guitar, so it won't be exact. However, it is almost identical when played right.
