SONG FOR EPILEPTIC DOGS  
by Flight of the Conchords

**C**                    **G**                    **Bb F G**  
Think about the epileptic dogs  
**C**                    **G**                    **Bb**                    **F G**  
Not all the puppies are born so lucky  
**Dm**                    **Em**                    **F**                    **F G**  
Somewhere there s a golden retriever who s having a seizure  
**F**                    **G**  
Somewhere there s a pup seizin up,  
                  **C**                    **G**  
And there s a labrador who s shakin on the floor  
**C**                    **G**                    **Bb F G**  
Think about the epileptic dogs  
**C**                    **G**                    **Bb**                    **F**                    **G**  
Send us some money to stop these dogs from actin funny  
**Dm**                    **Em**                    **F**                    **F G**  
Send a check in the letter to make a setter feel better  
**F**                    **G**                    **C**                    **G**  
Come on and make a donation and save a shaky dalmatian!
