

Angel
Flipsyde

Now you ve been up and you ve been down
Stayed strong even though daddy wasn t around
My momma through the thick and the thin beginning to end
And though I be sinning you keep me livin with that love that you givin
It s unconditional hey the sun shines when I see a smile on ya face
My momma with the money and jewels the record and tours
I d give it away if I could make your days happy days
And when my hearts broke and can t cope I m comin on home
To remember the reason why I was born
Cuddle up inside your heavenly arms you help me weather the storm
You love music so I put it in song

She s an Angel workin on God s train
She s an Angel workin on me
She s an Angel workin on God s train
She s an Angel workin on me

I wasn t born wild you know you raised me right
But the roads of Alabama called me into the night
From the coke and the weed and extacy
I m lost in the streets but you still remain next to me
The blood that I bleed it flows through your veins
Even in my lowest point I can still hear your words to my brain
First time I was arrested mommas love was tested

I couldn't contest it so here's my confession you're my blessing
