

Angel  
Flipsyde

Now you ve been up and you ve been down  
Stayed strong even though daddy wasn t around  
My momma through the thick and the thin beginning to end  
And though I be sinning you keep me livin with that love that you givin  
It s unconditional hey the sun shines when I see a smile on ya face  
My momma with the money and jewels the record and tours  
I d give it away if I could make your days happy days  
And when my hearts broke and can t cope I m comin on home  
To remember the reason why I was born  
Cuddle up inside your heavenly arms you help me weather the storm  
You love music so I put it in song

She s an Angel workin on God s train  
She s an Angel workin on me  
She s an Angel workin on God s train  
She s an Angel workin on me

I wasn t born wild you know you raised me right  
But the roads of Alabama called me into the night  
From the coke and the weed and extacy  
I m lost in the streets but you still remain next to me  
The blood that I bleed it flows through your veins  
Even in my lowest point I can still hear your words to my brain  
First time I was arrested mommas love was tested

I couldn't contest it so here's my confession you're my blessing
