

**No More
Flipsyde**

if you play it in chords the song goes the same thru the whole song

C, Em, Am, Am

And if you play the tab way its like this:

Verses:

C	Em	Am	Am

----1--1-----0--0-----1--1-----1--1-----			
-----0-----0-----2-----2-----2-----			
---2-----2-----2-----2-----			
-3-----2-----0-----0-----			

Refrain:

C	Em	Am	Am

----1-----0-----1-----1-----			
---0---0---0---0---2---2---2---2-----			

-3-----2-----0-----0-----			

Versel:

C	Em
From the wound to the world from the world to the grave	

Am
from the grave to the heavens and my spirit

C	Em
From the liquor to the drugs to the police and the thugs	

Am
to my prayers and hope that he hears it

C	Em
Little kids in the street Never sleep never eat	

Am
Carry burdens of their mommas and the papas

C	Em
To the hell on this Earth Gettin hot gettin worse	

Am

Cause were cursed nobody can stop us

C

Em

Take a look see the sights that I ve seen

Am

See the lust see the greed jealousy and killin

C

Em

Walk the walk that I ve walked All alone in the

Am

dark overtaken by this feelin that I m feelin

C

Em

Touch the hand that I ve touched In the night

Am

what a rush turning blue so could and breathless

C

Em

See the bars and the chains on your wrist on your

Am

brain Feel the pain of a grown man s death wish.

Refrain:

C

Em

Am

Is this all there is cause I don t want it no more

Is this all there is cause I don t want it no more

Is this all there is cause I don t want it no more

Is this all there is cause I don t want it no more

Tabbed By Flexmaster Mike :)
