Eyes shut still got me swimming like a diver
Can t let go I got fans in Okinawa
My heart to japan quake losers and surviours
Norway no you didn t get my flowers
No way to sound better but the killer was a Coward
Face just showers, the minute in a hour
Heard about the news all day went sour
Lil mama got me feeling like a limit here
Put you in the box just the presidents cigarettes
Give em my regards or regardless I get arrested
Ain t worried about the killers just the young & restless
Get mad coz the quarter million on my necklace
DUI never said I was driving reckless
You & I or jealousy was not oppressive
Oh no I can t stop I was Destined

Champagne buckets still got two tears in it
And I put that on my tattoo of Jimi Hendrix

Get depressed coz the outfit all in it
Coz the press tell it all get a meal ticket
Clean next get a call just a lil visit
Sacrifice just to make a hit still vivid
Rihanna kiss you on ya neck just kill critics
Buggatti never when I m rich, just god fearing
Look at me steering, got the bossing staring
Mr mike caren, tell his Billie Jeans
Im on another planet
Thank E-Class, Big Chuck or Lee Prince Perries
Buy my momma chandeliers on my tears dammit
Thirty years you had thought these emotions vanish
Tryna live tryna figure how my sister vanish
No cheers I know you wouldnt t panic
