From the top of the pole I watch her go down
She got me throwin my money around
Ainâ€™t nothin more beautiful to be found
Itâ€™s goin down down.

From the top of the pole I watch her go down
She got me throwin my money around
Ainâ€™t nothin more beautiful to be found
Itâ€™s goin down down

[Flo Rida]

Hey
Shawty must know Iâ€™m not playin
My money love her like a numba one fan
Donâ€™t look at my mouth, let her talk to my fans
My Benjamin Franklin
A couple of grands, I got rubber bands
My paper planes makin a dance
Get dirty all night, thatâ€™s part of my thing
Keep building castles thatâ€™s made out of sand
Sheâ€™s amazing, the fire blazing
Hotter than
Girl wonâ€™t you move a lil closer?
Time to get paid, itâ€™s maximum wage
That body belong on a poster
Iâ€™m in a daze, that bottom is wavinâ€™ at me
Like damn it I know you
You wanna show like a gun out of holster
Tell me whatever and Iâ€™ll be your roper ..

[Flo Rida]

You spin my head right round, right round
When you go down, when you go down down
(Kesha)

You spin my head right round, right round
When you go down, when you go down down

[Flo Rida]

From the top of the pole I watch her go down
She got me throwin my money around
Ainâ€™t nothin more beautiful to be found
Itâ€™s goin down down
From the top of the pole I watch her go down
She got me throwin my money around
Ainâ€™t nothin more beautiful to be found
Itâ€™s goin down down

[Flo Rida]

Iâ€™m feelin my money
Iâ€™m out of control
Somebody help me
Sheâ€™s takin my bank roll.
But Iâ€™m king golf the club
And Iâ€™m wearin the crown
Poppin these bottles
Touchin these models
Watchin they asses go down down

[Flo Rida]

You spin my head right round, right round
When you go down, when you go down down

[Kesha]

You spin my head right round, right round
When you go down, when you go down down

[Flo Rida]

You spin my head right round, right round
When you go down, when you go down down

[Kesha]

You spin my head right round, right round
When you go down, when you go down down
When you go down, when you go down down
