Here we go

Am F C G

[Verse 1]

I m betting you like people
And I m betting you love freak mode
And I m betting you like girls that give love to girls
And stroke your little ego
I bet I m guilty your honor
But that s how we live in my genre
Who in hell done paved the road wider
There s only one flo, and one rida
I m a damn shame
Order more champagne, pull a damn hamstring
Tryna put it on ya
Bet your lips spin back around corner

Slow it down baby take a little longer

[Hook]

Can you blow my whistle, baby
Whistle, baby, let me know
Girl I m gonna show you how to do it
And we start real slow
You just put your lips together
And you come real close
Can you blow my whistle baby, whistle baby
Here we go

[Whistling]

[Refrain]

Whistle baby, whistle baby
Whistle baby, whistle baby
Whistle baby, whistle baby
Whistle baby, whistle baby

[Verse 2]

It s like everywhere I go, my whistle ready to blow
Shorty don t even know, she can get any by the low
Told me she s not a pro, it s okay, it s under control
Show me soprano, cause girl you can handle
Baby we start snagging, you come up in part clothes
Girl I m losing wing, my Bugatti the same road
Show me your perfect pitch, you got it my banjo
Talented with your lips like you blew out a candle
So amusing
Now you can make a whistle with the music
Hope you ain t got no issue, you can do it
Give me the perfect pitch, you never lose it

[Hook]

Can you blow my whistle, baby
Whistle, baby, let me know
Girl I m gonna show you how to do it
And we start real slow
You just put your lips together
And you come real close
Can you blow my whistle baby, whistle baby
Here we go

[Whistling]

[Refrain]

Whistle baby, whistle baby
Whistle baby, whistle baby
Whistle baby, whistle baby
Whistle baby, whistle baby

[Verse 3]

Go girl you can work it
Let me see your whistle while you work it
I mma lay it back, don t stop it
Cause I love it how you drop it, drop it, drop it, on me
Now, shorty let that whistle blow
Yeah, baby let that whistle blow

[Hook]

Can you blow my whistle, baby
Whistle, baby, let me know
Girl I m gonna show you how to do it
And we start real slow
You just put your lips together
And you come real close
Can you blow my whistle baby, whistle baby
Here we go

[Whistling]

[Refrain]

Whistle baby, whistle baby
Whistle baby, whistle baby
Whistle baby, whistle baby
Whistle baby, whistle baby
