

Human
Flobots

G **D** **C** **G**
i did my best to notice when the call came down the line
D **Em** **C** **D**
upto the platform of surrender i was brought but i was kind
G **D** **C** **Em**
and sometimes i get nervouse when i see an open door
C **D**
close your eyes clear your heart cut the chord

Chorus:

G **D** **Em** **G**
are we human or are we denser
D **Em** **C** **D**
my sign is vital my hands are cold
G **D** **Em**
and im on my knees looking for the answer
Am **C** **G**
are we human? or are we denser

Verse 2:

G **D**
Pay my respects to grace and virtue
C **G**
Send my condolences to good
D **Em**
Give my regards to soul and romance,
C **D**
They always did the best they could
G **D** **C** **G**
And so long to devotion, you taught me everything I know
C **D**
Wave goodbye, wish me well..
You ve gotta let me go
G **D** **C** **G**
And so long to devotion, you taught me everything I know
C **D**
Wave goodbye, wish me well..
You ve gotta let me go

Chorus:

G **D** **Em** **G**
are we human or are we denser
D **Em** **C** **D**
my sign is vital my hands are cold

G D Em
and im on my knees looking for the answer

Am C G
are we human? or are we denser

bridge:

C D Bm Em
will your system be alright when you dream of home tonight

C D
ther is no message were recieving let me know is your heart still beating?

Chorus:

G D Em G
are we human or are we denser

D Em C D
my sign is vital my hands are cold

G D Em
and im on my knees looking for the answer

Am C G
are we human? or are we denser
