

Death Valley Queen
Flogging Molly

[Verse 1]

G D G C
Death valley queen where have you been
G Em
Since they crowned you in glory
G D
Filled your head with dreams
G D G
But it still goes to show in every desert
C G D G
There s a rose that s blooming for all to be seen
D G
I remember you well from that town
C G Em
You did dwell with the face of an angel
G D
In a dump hot as hell
G D
When I asked for a kiss
G C
You kindly dismissed
G D G
So i lead my poor heart to the slaughter
D G C D
Tell me dear what did you fear
G C D
I d do you no wrong though no stranger to sin
G C G C
So death valley queen go marry your king
G D G
Or an old maid you ll end up for certain

[Verse 2]

(same as verse 1)

Off I did set on my trail of regret
Where I thought of you now in your castle and crown
So I found me a whore with a face just like yours
After several gallons of porter
When I awoke, she had scarpered I was broke
Laying cold in the bed with a whale for a head
So death valley queen go marry your king
Or an old maid you ll end up for certain

[Chorus]

 D G C G D
Then the ball dropped why everything fell by the way
 D G C D
As your teardrops were falling I forgot to say
 G D G
That I have always loved you
 G C G
Yeah I have always loved you
 G D G C
Yeah I
 G
Yeah I
 C
I have always loved you

[Verse 3]

(same as verse 1)

When I returned downtrodden and burned
There were billy goats grazing
Where once you d be found
So I hung out to dry
On this limb for a lie
Take me back for I m cursed on the mainland
Tell me dear what did you fear
I d do you no wrong though no stranger to sin
So death valley queen go marry your king
Or an old maid you ll end up for certain
I said death valley queen go marry your king
And a-roving I ll end up for certain
