Intro: **E B G# C#m B E**

Verse:

F# C# B F#
I walk these streets where my soulless feet
B C# F#
Haunt the ground where it was I once tread
F# C# B F#
On Grafton s Arcade pours the rich commerce rain
B C# F#
Though the voices I no longer hear speak

Chorus:

E B G# C#m
Heaven s to blame so on that I ll abstain
F# B
Best clean the church from my cracked fingernail
E B G# C#m
But don t let me die still wondering
B E
What it was I left behind

Bridge: **G#m F# E B G#m F# E**

G#m F#
Though I ve been that face before
E B
Slammed every open door
G#m F# E
Squandered once scattered beliefs
G#m F#
So when the waves come crashin in
E B
I ll swim as the ocean swims
E B
Out with the morning tide
F# B F# B F# B
Then back for my tea

Outro:

C#m G#m A E

So don't let me die still wondering

C#m G#m A

What it was I left behind

C#m G#m A E

I want a race well run ahead of the gun

C#m G#m A

With a dance before the far finish line

C#m G#m A E

So no life long regrets, only well feathered steps

C#m B A

Until these shoes I can no longer shine

C#m G#m A E

But don't let me die still wanderin

C#m G#m A

For the love I left behind
