

Never Met A Girl Like You Before Flogging Molly

Flogging Molly " Never met a girl like you before

Intro **D G D G**

D2

I would wrap the world in clover
But you make me see my way

G

And I would die for you tomorrow
Would you come to me today?

D2

Sing a song of sadness about the girl with the happy face

G

And dance upon the water with a ripple or a trace

D2

Love is here any cloud in the sky

G

Would you be my flushing bride?
I don t think so

Ref

Em

But I never met a girl like,
I never met a girl like,

D

I never met a girl like you before

D G

D2

I d climb the highest mountain
To the sunrise from your face

G

Light a million candles
To flicker to your name

D2

Scream aloud with vengeance
With the wind beneath my breath

G

Do you understand the madness?
Do you recognize the grace?

D2

Love is here any cloud in the sky

G

Would you be my flushing bride?
I don t think so
