Never Met A Girl Like You Before Flogging Molly

Flogging Molly â€" Never met a girl like you before

Intro D G D G

D2

I would wrap the world in clover But you make me see my way

G

And I would die for you tomorrow Would you come to me today?

D2

Sing a song of sadness about the girl with the happy face

G

And dance upon the water with a ripple or a trace

D2

Love is here any cloud in the sky

Would you be my flushing bride? I don t think so

Ref

Em

But I never met a girl like, I never met a girl like,

D

I never met a girl like you before

D G

D2

I d climb the highest mountain To the sunrise from your face

G

Light a million candles To flicker to your name

D2

Scream aloud with vengeance With the wind beneath my breath

G

Do you understand the madness? Do you recognize the grace?

D2

Love is here any cloud in the sky

Would you be my flushing bride? I don t think so

G

But I never met a girl like I never met a girl like

I never met a girl like you before,

Oh no I never met a girl like you before

Oh no I never met a girl like you before

D

D2

I d surely die and liro Waiting for your every call

G

Will I ever see your sunshine? When I m done playing it all

D2

A boy with no companion Lost for baby blue

Words more then mean it When they count for one like you

Love is here any cloud in the sky

Would you be my flushing bride? I don t think so

Ref

Em

But I never met a girl like I never met a girl like

I never met a girl like you before,

Em

Oh I never met a girl like Never met a girl like

Never met a girl like you before

Oh no I never met a girl like you before

Oh no I never met a girl like you before

Oh no I never met a girl like you before
