

Punch Drunk Grinning Soul
Flogging Molly

Very cool tune. I am only uncertain on one chord, that being the second chord of the

If someone can help with that, I would appreciate it.

Verse 1

Em

It took me everything I had

Am

To give all that I could

Walk beside me while I sleep

Em

Steer me from the slumber wolf

Tangled forest of the mind

Am

Speaks to me of self-despise

Close the window through the pane

B7

Hear the siren s serenade...

Verse 2

Em

Could have been the comeback kid

Am

The southpaws legend glove to fill

No shadow boxer but the one

B7

A true contender for the crown

Now this punch drunk grinning soul

Am

D

G

In its corner begs no more

Chorus

D

C

Hey now, stay proud

D

G

You were lost on a blue day

D

Hey now, stay proud

D (stacc.)

But we hardly knew ya

Break 1: Em

Verse 3

Em

The chamber echo never speaks

Am

The rushin' tide devours my feet

No global warming fills this soul

B7

For hell it freezes what it stole

From the beggar's empty plate

Am

D

G

To our world that stuffs its face

Chorus

D

C

Hey now, stay proud

D

G

You were lost on a blue day

D

C

Em

G

C

But these tired eyes are crashin' down on me

Am

D

While the paint never dries

G

Em

On these four walls that now suffocate me

C

D

But tonight, maybe tonight

Em

All will be free...

Break 3: Em

Verse 4

Em

Release, unlock this prison door

Am

It can't hold me anymore

Serpent lied with sting of tale

B7

Hand of reason rusts the nail

Now this punch drunk grinning soul

Am

D

G

In its corner begs no more

Chorus

D

C

Hey now, stay proud
