[Intro]

D A D D  
D A D D  
D A Bm G  
D A D D

[Verse 1]

          D      A          D          D  
Well I know I miss more than hit  
          D          A          D      D  
With a face that was launched to sink  
          D      A          Bm      G  
And I seldom feel the bright relief  
                  D      A          D          D  
It s been the worst day since yesterday

[Verse 2]

          D          A      D      D  
If there s one thing I have said  
          D          A                  D      D  
Is that the dreams I once had now lay in bed  
          D          A          Bm          G  
As the four winds blow my wits through the door  
                  D      A          D          D  
It s been the worst day since yesterday

[Chorus 1]

G      G          D          D  
Fallin down to you sweet ground  
G                  G                  D          A  
Where the flowers, they bloom well it s there I ll be found  
          D      A      D      G  
Hurry back to me, my wild Colleen  
                  D      A          D          D  
It s been the worst day since yesterday

[Chords during solo]

A A G D  
A A G A

[Verse 3]

                  D                  A          D      D  
Though these wounds have seen no wars  
                  D      A          D          D  
Except for the scars I have ignored  
                  D          A                  Em          G  
And this endless crutch well it s never enough  
                  D      A          D          D  
It s been the worst day since yesterday

[Chorus 2]

G          G                  D                  D  
Hell says hello well it s time I should go  
G          G      D                  A  
To pastures green that I ve yet to see  
          D          A      D      G  
Hurry back to me my wild Colleen  
                  D      A          D          D  
It s been the worst day since yesterday

[Outro]

                  D      A          D          D  
It s been the worst day since yesterday  
                  D      A          G      G          D  
It s been the worst day since yesterday
