

**Down On Your Knees**

**Flora Cash**

Capo 2

[Verse 1]:

**Am** **C**  
Last I saw you were down on your knees  
**G** **Am**  
Praying for some release  
**Am** **C**  
Check my bed but you ain t next to me  
**G** **Am**  
And I m wondering where you ease  
**Am** **C**  
As dawn telling you one let you know  
**G** **Am**  
But I don t understand this game  
**Am** **C**  
Bit my lip but I said I would find  
**G** **Am**  
Something I didn t know I had

[Chorus]:

**Am** **C**  
Almost winning and now I don t know  
**G** **Am**  
But it seems like it s almost away from me

**Am** **C**  
Maybe one day I ll be strong enough  
**G** **Am**  
To find it out and I ll know it all

[Verse 2]:

**Am** **C**  
And the spring is running far  
**G** **Am**  
You got me thinking  
**Am** **C**  
Oh I want this to last  
**G** **Am**  
You got me thinking

[Chorus]:

**Am** **C**  
Almost winning and now I don t know  
**G** **Am**  
But it seems like it s almost away from me

**Am** **C**  
Maybe one day I ll be strong enough  
**G** **Am**  
To find it out and I ll know it all

[Bridge]:

**Am** **C**  
Do you think it s easy now  
**G** **Am**  
Now alone  
**Am** **C**  
Baby is it easy now  
**G** **Am**  
Now alone

[Chorus]:

**Am** **C**  
Almost winning and now I don t know  
**G** **Am**  
But it seems like it s almost away from me

**Am** **C**  
Maybe one day I ll be strong enough  
**G** **Am**  
To find it out and I ll know it all
