I cannot get you close enough

D

A hundred arms, a hundred years

D

Give me arms to pray with

D

Instead of ones that hold too tightly

[Refrão]

G

The streets, they still run with blood

D

A hundred arms, a hundred years

D

You can always find me here

F

And, Lord, don t let me break this

G

Let me hold it lightly

D

Give me arms to pray with

D

Instead of ones that hold too tightly

F

I let him sleep and as he does

G

My held breath fills the room with love

D

Hurts in ways I can t describe

G

My heart bends and breaks so many, many times

G
