Florence And The Machine

Em

This is as good a place to fall as any

Em

We ll build our altar here

Em

Make me your Maria

Em

I m already on my knees

Em

You had Jesus on your breath

Em

And I caught him in mine

Em

Sweating our confessions

Em

The undone and the divine

Em

This is his body

Em

This is his blood

Em

Such selfish prayers

Em

And I can t get enough

The black and the blue

Drinking it in

Em

The wine, the women, the bedroom hymns

Em

Cause this is his body
