

Bedroom Hymns

Florence And The Machine

Em

This is as good a place to fall as any

Em

We ll build our altar here

Em

Make me your Maria

Em

I m already on my knees

Em

You had Jesus on your breath

Em

And I caught him in mine

Em

Sweating our confessions

Em

The undone and the divine

Em

This is his body

Em

This is his blood

Em

Such selfish prayers

Em

And I can t get enough

Spilling over the idol

Em

The black and the blue

Em

The sweetest submission

Em

Drinking it in

Em

The wine, the women, the bedroom hymns

Em

Cause this is his body

Em

This is his love

Em

Such selfish prayers and I can t get enough cause
