

**Breath Of Life**  
**Florence And The Machine**

**Dm F G (2x)**

Haaaaa ohhhh

**D4 C**  
I was looking for a breath of life;

**Dm**  
A little touch of heavenly light

**F G**  
But all the choirs in my head sang no

**D4 C**  
To get a dream of life again

**Dm**  
A little of vision of the start and the end

**F G**  
But all the choirs in my head sang no .

**D4 C**  
But I only needed one more touch

**Dm**  
Another taste of heavenly rush

**F G**  
And I believe; I believe it so...

**D4 C**  
But I only needed one more touch

**Dm**  
Another taste of divine rush

**G**  
And I believe; I believe it so...

**Dm F G**  
Whose side am I on; whose side am I?

**G C9 Dm**  
Whose side am I on; whose side am I?

**D4 F**  
And the fever began to spread

**C**  
From my heart down to my legs

**G Dm F G**  
But the room was so quiet oh...

**D4 F**  
And although I wasn't losing my mind

**C**  
It was a chorus so sublime

**G Dm F G**  
But the room is too quiet (quiet, quiet...)

**Dm**  
(Oh, the fever)

**F**  
I was looking for a breath of life;

**C9**

A little touch of heavenly light

**G F C G**

But all the choirs in my head sang no

**Dm**

(I believe it)

**C**

To get a dream of life again

**Dm**

A little vision of the start and the end

**G F C G**

But all the choirs in my head sang no

**Dm F G**

Haaaaa ohhhh

Haaaaa ohhhh

Haaaaa ohhhh

**Dm F C**

It s a harder way

**G**

And it s come to claim her

**Dm F C**

And I always say

**G**

We should be together

**Dm F C**

I can see below

**G**

Cause there s something in here

**Dm F C**

And if you are gone

**G**

I will not belong here

**Dm F C9**

And I started to hear it again

**G**

**Dm**

But this time it wasn t the end

**F**

**C9 G**

And the room was so quiet, oh

**Dm F C9**

And my heart is a hollow plain

**G**

**Dm**

For the devil to dance again

**F**

**C9 G**

And the room was too quiet, oh

**Dm C9**

I was looking for a breath of life;

**Dm**

A little touch of heavenly light

**C9 (let ring)**

But all the choirs in my head sang no ...
