

How Big How Blue How Beautiful  
Florence And The Machine

[Verse]

**A** **C** **D**  
Between a crucifix and the Hollywood sign, we decided to get hurt  
**A** **G** **D**  
Now there's a few things we have to burn, set our hearts ablaze  
**A** **C** **D**  
And every city was a gift and every skyline was like a kiss upon the lips  
**A** **G** **D**  
And I was making you a wish and every skyline

[Chorus]

**F** **G** **A**  
How big, how blue, how beautiful  
**F** **G** **C** **D**  
How big, how blue, how beautiful

[Verse]

**A** **G**  
And meanwhile a man was falling from space  
**C** **D**  
And every day I want your face  
**A** **G**  
Like an atmosphere around me  
**C** **D**  
The satellite beside me  
**A** **G**  
And meanwhile a man was falling from space  
**C** **D**  
As he hit the earth I left this place  
**A** **G**  
Let the atmosphere surround me  
**D**  
The satellite beside me

[Pre-Chorus]

**F**  
What are we gonna do?  
**G** **C** **D**  
We've opened the door, now it's all coming through  
**F**

Till we see it too

**G C D**

We opened our eyes and it s changing the view

Oh, what are we gonna do?
