Leave My Body
Florence And The Machine

```
  Dm                              C        G/B
I m gonna be released from behind these lies
   Dm                         C      G/B
And I don t care whether I live or die
   Dm                           C      G/B
And I m losing blood, I m gonna leave my bones
    Bb/D                       C
And I don t want your heart it leaves me cold

        F
I don t want your future
        G
I don t need your past
    Bb
One bright moment
      C
Is all I ask

           Dm                           F
I m gonna leave my body (movin  up to higher ground)
   C              G/B              Bb        C
I m gonna lose my mind (history keeps pullin  me down)
                 Dm                        F
Said I m gonna leave my body (movin  up to higher ground)
          C      G/B              Bb         C            Dm
I m gonna lose my mind (history keeps pullin  me, pullin  me down)

Dm                              C      G/B
I don t need a husband, don t need no wife
   Dm                          C      G/B
And I don t need the day, I don t need the night
   Dm                          C      G/B
And I don t need the birds, let them fly away
   Bb/D                       C
And I don t want the crowds, they never seem to stay

        F
I don t want no future
          G
I don t need no past
Bb
One bright moment
     C
Is all I ask
        G
I don t want your future
```

```
         Bb
I don t need your past
C
One bright moment
    C
Is all I ask and

         Dm                              F
I m gonna leave my body (movin  up to higher ground)
   C              G/B                 Bb          C
I m gonna lose my mind (history keeps pullin  me down)
              Dm                          F
Said, I m gonna leave my body (movin  up to higher ground)
    C                    G/B               Bb          C
I m gonna lose my, lose my mind (history keeps pullin  me, pullin  me down)

 Bb
(pullin  me down)
C                        Bb
Pullin  me down (and it s pullin  me down)
C                          Bb
Pullin  me down, oh (and it s pullin  me down)
C                        G/B
Pullin  me down (and it s pullin  me, pullin  me down)
G/B
Pullin  me, pullin  me down

         Dm                              F
I m gonna leave my body (movin  up to higher ground)
   C            G              Bb          C
I m gonna lose my mind (history keeps pullin  me down)
              Dm                      F
Said I m gonna leave my body (movin  up to higher ground)
   C            G              Bb          C
I m gonna lose my mind (history keeps pullin  me, pullin  me)

              Dm                              F
Yeah, said I m gonna leave my body (movin  up to higher ground)
   C            G              Bb
I m gonna lose my mind (history keeps pullin  me down)
Dm                          F
.............(movin  up to higher ground)
    C                                    Bb          C
it s pullin  me down, oh oh, oh oh (history keeps pullin  me, pullin  me down)

[Instrumental]
