

St Jude

Florence And The Machine

D **Em**
Another conversation with no destination

Bm **G**
Another battle, never won

D **Em**
And each side has a loser

Bm **G**
So who cares if I had the gun?

D
And I m learning, so I m leaving

Em
And even though I m grieving

Bm
I m trying to find the meaning

G **D**
Let and loss reveal it

Em **Bm** **G**
Let and loss reveal it

F#m **Bm** **G**
St. Jude, the patron saint of the lost causes

F#m **Bm** **G**
St. Jude, we were lost before she started

F#m **Bm** **G**
St. Jude, we lay in bed as she whipped around us

F#m **Am** **G**
St. Jude, maybe I ve always been more comfortable in chaos

D
And I was on the island

Em
And you were there too

Bm
But somehow through this storm

G
I couldn t get to you

D
Oh St. Jude

Em **Bm** **G**
Somehow she knew

D
And she came to give her blessing

Em
While causing devastation

Bm

And I couldn't keep my mouth shut

G **D**

I just had to mention

Em **Bm** **G**

Grabbing your attention

F#m **Bm** **G**

St. Jude, the patron saint of the lost causes
