Swimming
Florence And The Machine

```
Intro -        F / C / G / / /
               G / C / F / / /
```

```
      F         C           G
Your songs remind me of swimming,
           G         C         F
Which I forgot when I started to sink
        F       C           G
Dragged further away from the shore,
     G      C       F
And deeper into the drink
```

```
F           C           G
Sat on the bottom of the ocean,
   G         C       F
A stern and stubborn rock
          F       C           G
Cos your songs remind me of swimming,
     G        C    F
But somehow I forgot
```

```
F     C         G
I was sinking, now I m sunk
     G     C           F
And I was drinking, and now I m drunk
      F       C         G
Your songs remind me of swimming,
     G        C     F
But somehow I forgot.
```

```
   F         C           G
I tried to remember the chorus,
   G       C         F
I can t remember the verse
          F       C       G
Cos that song that sent me swimming,
     G          C         F
Is now the life jacket that burst
```

```
F             C           G
Rotting like a wreck on the ocean floor,
G             C         F
Sinking like a siren that can t swim anymore
          F       C           F
```

Coz your songs remind me of swimming,
     G   **C** **F**
But I can t swim anymore

F   **C**   **G**
Pull me out the water, cold and blue,
  G   **C**   **G**
I open my eyes and see that it s you,
       F   **C**   **G**
So I ll dive straight back in the ocean
      G   **C**   **F**
Yes I ll dive straight back in the ocean

F   **C**   **G**
Take a deep breath suck the water in my chest
G   **C**   **F**
Take a deep breath suck the water in my chest
   F   **C**   **G**
Then cross my fingers,
      G   **C**   **F**
Then I ll hope for the best

Am   **G**
Then all of a sudden, I heard a note,
F   **F**   **G**
It started in my chest, and ended in my throat
Am
Then I realise
G
Then I realise
F   **F** / / **G** / /
Then I realised
    F   **G**
I was swimming, yes I was swimming
       Am   **G**
And now I m swimming, yes I am swimming

   F   **C**   **G**
Your songs remind me of swimming,
     G   **C**   **F**
Which I forgot when I started to sink
  F   **C**   **G**
Your songs remind me of swimming
      G   **C**   **F**
Which I forgot when I started to sink
    F   **C**   **G**
Oh your songs remind me of swimming
      G   **C**   **F**
Which I forgot when I started?
   F   **C**   **G**
Your songs remind me of swimming
     G   **C**   **F**

Which I forgot when I started

Am/ /// /// ///
To sink.
