

Wish That You Were Here
Florence And The Machine

Intro:

Am Em Dm Em
Am Em Dm Em

Verse 1:

Am Em I tried to leave it all behind me
Dm Em But I woke up and there, they were beside me
Am Em And I don't believe it but I guess it's true
Dm Em Some feelings, they can travel too
Am Em Oh there it is again, sitting on my chest
Dm Em Makes it hard to catch my breath, I scramble for the light to change

Pre-Chorus 1:

Am Em You're always on my mind
Dm Em You're always on my mind

Chorus 1:

C G And I never minded being on my own
F Then something broke in me and I wanted to go home
C To be where you are
G F But even closer to you, you seem so very far
Dm And now I'm reaching out with every note I sing
Am G And I hope it gets to you on some Pacific wind
F Wraps itself around you and whispers in your ear
G G/G# Tells you that I miss you and I wish that you were here

(Am Em Dm Em)

Verse 2:

Am **Em**
And if I stay home, I don't know there'll be so much
Dm **Em** **Am**
That I'll have to let go, you're disappearing all the time
Em **Dm** **Em**
But I still see you in the light, for you, the shadows fight
Am **Em**
And it's beautiful but there's that tug in the sight
Dm **Em**
I must stop time traveling, you're always on my mind

Pre-Chorus 2:

Am **Em**
You're always on my mind
Dm **Em**
You're always on my mind

Chorus 2:

C **G**
And I never minded being on my own
F
Then something broke in me and I wanted to go home
C
To be where you are
G **F**
But even closer to you, you seem so very far

Dm
And now I'm reaching out with every note I sing
Am **G**
And I hope it gets to you on some Pacific wind
F
Wraps itself around you and whispers in your ear
G **G/G#**
Tells you that I miss you and I wish that you were here

Bridge:

Am **Em** **F** **Dm**
(here) (here) (here) (here)
Am
We all need something watching over us
C
Be it the falcons, the clouds or the cross
Dm
And then the sea swept in and left us all speechless
Em
Speechless
