

All This And Heaven Too  
Florence + The Machine

**E** **C#m** **E**  
And the heart is hard to translate

**A**  
It has a language of its own

**E** **C#m** **E**  
It talks in tongues of quiet sighs

**A** **E**  
And prayers and proclamations

**C#m** **E**  
In the grand days of great men

**A** **E**  
In the smallest of gestures

**C#m** **E** **A**  
In short, shallow gasps

**Dm**  
But with all my education

**Em**  
I can?t seem to command it

**F**  
And the words are all escaping

**G**  
And coming back all damaged

**Dm**  
And I would put them back in poetry

**Em**  
If I only knew how

**F** **G**  
I can?t seem to understand it

**C** **Am**  
And I would give all this and heaven too

**F** **Dm**  
I would give it all if only for a moment

**G** **C** **Am**  
That I could just understand the meaning of the word, you see

**F**  
Cause I?ve been scrawling it forever

**Dm** **G** **E**  
But it never makes sense to me at all

**C#m** **E**  
And it talks to me, it tip-toes

**A**  
And it sinks to the inside

**E** **C#m** **E**

It cries out in the darkest night

**A**

And breaks in the morning light

**Dm**

But with all my education

**Em**

I can?t seem to command it

**F**

And the words are all escaping

**G**

And coming back all damaged

**Dm**

And I would put them back in poetry

**Em**

If I only knew how

**F**

**G**

I can?t seem to understand it

**C**

**Am**

And I would give all this and heaven too

**F**

**Dm**

I would give it all if only for a moment

**G**

**C**

**Am**

That I could just understand the meaning of the word, you see

**F**

Cause I?ve been scrawling it forever

**Dm**

**G**

**Cmaj7**

But it never makes sense to me at all

**C Am**

Mmmmmm, ooh-ooh

**C**

**Dm**

Ooh-ooh-ooh-ooh Ooh-ooh-ooh-ooh

**C**

**Am**

Oh, oh-oh-oh

**C**

**Dm**

**G**

Oh-oh, Oh-oh-oh-oh Oh-oh-oh-oh

**C**

**Am**

And I would give all this and heaven too

**F**

**Dm**

I would give it all if only for a moment

**G**

**C**

**Am**

That I could just understand the meaning of the word, you see

**F**

Cause I?ve been scrawling it forever

**Dm**

**G**

But it never makes sense to me at all

**C Am F**

No words

**Dm**

**G**

**C**

Our language doesn't deserve such treatment

**Am**

**F**

And all my stumbling phrases never amounted

**Dm**

**G**

To anything worth this feeling

**C**

**Am**

All this and Heaven

**F**

**Dm**

**G**

Never could describe such a feeling as I feel it

**C**

**Am**

Words were never so useful

**F**

So I was screaming out a language that I

**Dm**

**G**

**C**

Never knew existed before
