Dm                Bb  C
  You need a big god
                Dm            Bb  C  A
Big enough to hold your love
Dm               Bb  C
  You need a big god
                 Dm        Bb  C  A
Big enough to fill you up

Dm                      Bb
  You keep me up at night
        C
To my messages, you do not reply
Dm                            Bb
  You know I still like you the most
     C                        A
The best of the best and the worst of the worst
Dm                        Bb
  Well, you can never know
      C
The places that I go
Dm                        Bb
  I still like you the most
        C          A
You ll always be my favorite ghost

Dm               Bb  C
  You need a big god
                 Dm           Bb  C  A
Big enough to hold your love
Dm               Bb  C
  You need a big god
                 Dm        Bb  C  A
```

Big enough to fill you up

Dm   Bb
   Sometimes I think it s gettin better
C
   And then it gets much worse
Dm   Bb
   Is it just part of the process?
         C   A
Well, Jesus Christ, it hurts
Dm   Bb
   Though I know I should know better
C
   Well, I can make this work
Dm   Bb
   Is it just part of the process?
        C   A   Dm
Well, Jesus Christ, Jesus Christ, it hurts
Gm   Dm   Bb
   Jesus Christ, Jesus Christ, it hurts

[Final]

Dm   Bb   C
   Shower your affection, let it rain on me
Dm   Bb   C   A
   And pull down the mountain, draw your cities to the sea
Dm   Bb   C
   Shower your affection, let it rain on me
Dm   Bb
   Don t leave me on this white cliff
        C   A   Dm Bb
Let it slide down to the, slide down to the sea
 C
Slide down to the, slide down to the sea
