

## Dog Days

Florence + The Machine

[Verse]

**G** **Am Em D**  
Happiness, it hurt like a train on a track  
**G** **Am Em D**  
Coming towards her, stuck still no turning back  
**G**  
She hid around corners and she hid under beds  
**Am Em D**  
She killed it with kisses and from it she fled  
**G**  
With every bubble she sank with a drink  
**Am Em D**  
And washed it away down the kitchen sink

[Chorus]

**G**  
The dog days are over  
  
The dog days are done  
**Am Em D**  
The horses are coming so you better run  
**G**  
Run fast for your mother run fast for your father  
  
Run for your children and your sisters and brothers  
**Am**  
Leave all your love and your loving behind you  
**Em D**  
Can't carry it with you if you want to survive  
**G**  
The dog days are over  
  
The dog days are done  
**Am Em D**  
The can you hear the horses coz here they come

the pattern of chords stays the same for the whole song so just listen to it to perfect the chord changes

[Bridge]

And I never wanted anything from you  
Except everything you had  
And what was left after that too. oh.

[Verse]

Happiness it hurt like a bullet in the mind  
Stuck them up drainpipes  
By someone who should know better than that

[Chorus]

days are gone  
Can you hear the horses  
Cuz here they come

Run fast for your mother and fast for your father  
Run for your children for your sisters and brothers  
Leave all your love and your loving behind you  
Can t carry it with you if you want to survive

The dog days are over  
The dog days are gone  
Can you hear the horses because here they come

The dog days are over  
The dog days are gone  
Can you hear the horses because here they come
