

**Heavy In Your Arms**  
**Florence + The Machine**

[Verse 1]

**Am** **G**  
I was a heavy heart to carry, my beloved was weighed down

**F** **G**  
My arms around his neck, my fingers laced to crown

**Am** **G**  
I was a heavy heart to carry, my feet dragged across the ground

**F**  
And he took me to the river, where he slowly let me drown

[Pre-Chorus]

**G Am** **G**  
My love has concrete feet, my love s an iron ball

**F** **G**  
Wrapped around your ankles over the waterfall

[Chorus]

I m so heavy, heavy...heavy in your arms

**F G Am** **G** **F**  
I m so heavy, heavy...heavy in your arms

[Verse 2]

**G Am**  
And is it worth the wait...all this killing time?

**G F**  
Are you strong enough to stand  
**G**  
Protecting both your heart and mine?

**Am**  
Who is the betrayer?  
**G**  
Who s the killer in the crowd?

**F**

The one who creeps in corridors and doesn't make a sound

[Pre-Chorus]

**G Am**

My love has concrete feet

**G**

My love is an iron ball

**F**

Wrapped around your ankles over the waterfall

My love has concrete feet, my love is an iron ball
