

Hunger

Florence + The Machine

Bb Dm C
Ooh, ooh, ooh-ooh, ooh

Bb Dm C
Ooh, ooh, ooh-ooh, ooh

Bb Dm
At seventeen, I started to starve myself

C
I thought that love was a kind of emptiness

Bb Dm
And at least I understood then the hunger I felt

C
And I didn't have to call it loneliness

Bb Dm
We all have a hunger

C
We all have a hunger

Dm F Bb Dm
We all have a hunger

C
We all have a hunger

Dm F Bb F
Tell me what you need, oh, you look so free

Dm C
The way you use your body, baby, come on and work it for me

Dm Bb F
Don't let it get you down, you're the best thing I've seen

Bb C
We never found the answer but we knew one thing

Dm F Bb Dm
We all have a hunger

C
We all have a hunger

Dm F Bb Dm
We all have a hunger

C Dm F
We all have a hunger

Bb F C
And it's Friday night and it's kicking in

Dm Bb F C
And I can't dress, they're gonna crucify me

Dm Bb F C
Oh, but you and all your vibrant youth

We all have a hunger

C Dm F

We all have a hunger

Bb F C

And it s Friday night and it s kicking in

Dm Bb F C

And I can t dress, they re gonna crucify me

Dm Bb F C

Oh, but you and all your vibrant youth

Bb C

How could anything bad ever happen to you?

Bb C

You make a fool of death with your beauty, and for a moment

I forget to worry
