

I'm Not Calling You a Liar (Just Don't Lie)  
Florence + The Machine

I m not calling you a liar

Just don t lie to me

I m not calling you a thief

Just don t steal from me

I m not calling you a ghost

Just stop haunting me

And i love you so much

I m gonna let you

Kill me

There s a ghost in my lungs

And it sighs in my sleep

Wraps itself around my tongue

As it softly speaks

Then it walks, then it walks with my legs

To fall

To fall

To fall, at your feet

Oh but for the grace of god go on

And when you kiss me, I m happy enough to die

I m not calling you a liar

Just don t lie to me

And i love you so much

I m gonna let you
