

Only If For A Night
Florence + The Machine

Capo 6

Em C Em D
And I had a dream, about my old school,
Bm C Em D
And she was there all pink and gold and glittering.
Em C
I threw my arms around her legs,
Em D Bm C Em D
Came to weeping, (came to weeping), came to weeping, (came to weeping).
Em C
And I heard your voice as clear as day,
Em D Bm C
And you told me I should concentrate,
Em D
It was all so strange,
Em C
And so surreal,
Em D Bm C
That a ghost should be so practical.

Em D
Only if for a night

And the only solution was to stand and fight,
And my body was bruised and
I was set alight,
But you came over me like some holy rite,
And although I was burning,
You re the only light
Only if for a night

The grass was so green against my new clothes,
And I did cartwheels in your honor, dancing on tiptoes
My own secret ceremonials before the service began,
In the graveyard, doing handstands.

And I heard your voice as clear as day,
And you told me I should concentrate,
It was all so strange,
And so surreal,
That a ghost should be so practical.

Only if for a night.
And the only solution was to stand and fight,
And my body was bruised and
