

Patricia

Florence + The Machine

[Verse 1]

Am

Oh Patricia, you've always been my North Star
And I have to tell you something
I'm still afraid of the dark
But you take my hand in your hand
From you the flowers grow
And do you understand with every seed you sow
You make this cold world beautiful?

[Pre-Chorus]

Am

C

You told me all doors are open to the believer

Dm

Em

I believe her, I believe her, I believe her

Am

C

You told me all doors are open to the believer

Dm

[Verse 2]

Am

G

Well, you're a real man, and you do what you can

F

G

You only take as much as you can grab with two hands

Am

G

With your big heart, you praise God above

F

But how's that working out for you, honey?

G

Do you feel loved?

[Pre-Chorus]

Am **C**
She told me all doors are open to the believer (Do you feel loved?)
Dm **Em**
I believe her, I believe her, I believe her (Do you feel loved?)
