Pure Feeling
Florence + The Machine

Intro:
Em
Em C Am Bm D x2

Em   **C**
  Blinded by the blare
Am   **Bm**   **D**
  I was moving like I didn t care
Em   **C**
  But it was more than I could bear
Am   **Bm**   **D**
  You know I hope to see you there

C
  Staring out the window
D   **Bm**
  I could see into the soul of every passer-by
    Em   **D**
So many lives, so many passer-by s
C   **D**
  I keep feeling I m invisible and magical
    Bm
If only for a moment
        B
A pure feeling, I m scared to control it

Em   **C**
  Stretching out my arms
                  Am
I let it come for me
                  Bm
Our bodies moving in the dark
    D   **Em**
It takes the pain from me
              C
And then I am in love
                Am
With everyone I see
                Bm   **D**   **Em**
I keep on moving in the spaces where you used to be

                            C   **Am**
And the illusion starts to tear
                Bm   **D** **Em**
Let everybody stand and stare
                        C **Am**
Cause now I have no fear

```
                    Bm                 D
I knew that this would end in tears

C
   Staring out the window
D                                      Bm
   I could see into the soul of every passer-by
      Em              D
So many lives, so many passer-by s
C                          D
   I keep feeling I m invisible and magical
      Bm
If only for a moment
         B
A pure feeling, I m scared to control it

Em                      C
   Stretching out my arms
                   Am
I let it come for me
                   Bm
Our bodies moving in the dark
     D                 Em
It takes the pain from me
              C
And then I am in love
               Am
With everyone I see
              Bm              D
I keep on moving in the spaces where you used to be

      Am
My strangers carry me
      Bm
I m lost and finding me
         Em
I m lone(?) in every me
      C
But it s not over
      Am
The spaces in between
         Bm
They keep you far from me
        C
The emptiness in me
D
It s not over

Em                      C
   Stretching out my arms
                   Am
I let it come for me
                   Bm
```

```
Our bodies moving in the dark
      D                   Em
It takes the pain from me
                  C
And then I am in love
                    Am
With everyone I see
                Bm                  D                  Em
I keep on moving in the spaces where you used to be

                        C
   Stretching out my arms
                    Am
I let it come for me
                    Bm
Our bodies moving in the dark
      D                   Em
It takes the pain from me
                  C
And then I am in love
                    Am
With everyone I see
                Bm                  D                  Em
I keep on moving in the spaces where you used to be

Em
```
