

**Shake It Off**

**Florence + The Machine**

To play along with the recording, capo is on 1st fret.

but you can also just play it normally without a capo.

i think it s really just preference at this point.

Also, <http://www.youtube.com/watch?v=Q6tG5PdcwWo>, the chords aren t mine, i just thought

it would be helpful if there was a written form of the tutorial.
