Am F Dm Am
Don t touch the sleeping pills, they mess with my head
Am F Dm Am
Dredging the Great White Sharks, swimming in the bed
Am F Dm Am
And here comes a Killer Whale, to sing me to sleep
Am F Dm Am
Thrashing the covers off, it has me by it s teeth

C Dm Am F
And, oh, my love remind me, what was it that I said?
C Dm Am F
I can t help but pull the earth around me to make my bed
C Dm Am F
And, ah, my love remind me, what was it that I did?
C Dm
Did I drink too much? Am I losing touch?
Am F
Did I build a ship to wreck?

Am F Dm Am Am F
To wreck, to wreck, to wreck
Dm Am
Did I build this ship to wreck?

Am F Dm Am
What s with the long face? Do you want more?
Am F Dm Am
Thousands of red-eyed mice, scratching at the door
Am F Dm Am

And don't let the curtain catch you, cause you've been here before
Am F Dm Am
The chair is an island, darling, you can't touch the floor

C Dm Am F
And, oh, my love remind me, what was it that I said?
C Dm Am F
I can't help but pull the earth around me to make my bed
C Dm Am F
And, ah, my love remind me, what was it that I did?
C Dm
Did I drink too much? Am I losing touch?
Am F
Did I build a ship to wreck?

Am F Dm Am Am F
To wreck, to wreck, to wreck
Dm Am
Did I build this ship to wreck?

And Good God, under starry skies
Am F F
We are lost, and into the breach, we got tossed
G Am
And the water's is coming in fast

C Dm Am F
And, oh, my love remind me, what was it that I said?
C Dm Am F
I can't help but pull the earth around me to make my bed
C Dm Am F
And, ah, my love remind me, what was it that I did?
C Dm
Did I drink too much? Am I losing touch?
Am F
Did I build a ship to wreck?

Am F Dm Am Am F
To wreck, to wreck, to wreck
Dm Am
Did I build this ship to wreck?
Am F Dm Am Am F
To wreck, to wreck, to wreck
Dm Am
Did I build this ship to wreck?
