Bbm

Hydrogen in our veins, it cannot hold itself, my blood is boiling

And the pressure in our bodies, that echoes up above, it is exploding

And our particles that burn, it is all because they yearn for each other

And although we stick together, it seems that we are estranging one another

F#

So, Feel it on me love

Feel it on me love

G#

Feel it on me love

(Strangeness and Charm)
