Florence And The Machine- What The Water Gave Me   / all the best.

```
Cm           Gm
Time it took us
 Bb                      F
 To where the water was
 Cm                        Gm
 That’s what the water gave me
 Cm                    Gm
 And time goes quicker
   Bb            F
 Between the two of us
 Cm                    Gm
 Oh, my love, don’t forsake me
 Bb                     F
 Take what the water gave me

         Cm   Gm
Lay me down
          Bb       F
 Let the only sound
         Cm     Gm
 Be the overflow
          Bb        F
 Pockets full of stones

        Cm   Gm
Lay me down
        Bb        F
 Let the only sound
        Cm Gm Bb     F
 Be the overflow

Cm         Gm      Bb      F
And oh poor Atlas
            Cm     Gm       Bb    F
 The world’s a beast of a burden
             Cm      Gm      Bb       F
 You’ve been holding on a long time
     Cm    Gm  Bb     F
 And all this longing
          Cm      Gm      Bb        F
 And the shields are left to rust
```

```
  Cm                Gm      Bb      F
 That’s what the water gave us

      Cm   Gm
So Lay me down
          Bb        F
 Let the only sound
          Cm       Gm
 Be the overflow
          Bb        F
 Pockets full of stones

      Cm   Gm
Lay me down
          Bb        F
 Let the only sound
          Cm Gm Bb      F
 Be the overflow

                        Cm
 â€˜Cause they took your loved ones
       Gm                     F
 But returned them in exchange for you
                            Cm     Gm
 But would you have it any other way?
            F
Would you have it any other way?
                            Cm     Gm
 You could have had it any other way
                    Cm     Gm
 â€˜Cause she’s a crueller mistress
         F
 And the bargain must be made
       Cm                   Gm
 But oh, my love, don’t forget me
         F
 But I let the water take me

      Cm   Gm
Lay me down
          Bb        F
 Let the only sound
          Cm       Gm
 Be the overflow
          Bb        F
 Pockets full of stones

      Cm   Gm
Lay me down
          Bb        F
 Let the only sound
```

```
        Cm Gm Bb     F
 Be the overflow

        Cm   Gm
Lay me down
         Bb      F
 Let the only sound
        Cm      Gm
 Be the overflow
         Bb       F
 Pockets full of stones

      Cm  Gm
Lay me down
         Bb      F
 Let the only sound
        Cm Gm Bb    F
 Be the overflow
```
