Capo 3

Em **G**
I know, I know this is not gonna go
C **D**
anywhere at all
Em
and that you ve kissed me,
G
already ve missed me
C **D**
and something you ve left on my thoughts.

Em **G**
But please, please don t stop smiling at me,
C
cause I can t bet a thought
D
that you don t really mean this.

Em **G**
Please, please let me think
C **D**
you are thinking of me, of me.

Em
You re probably tired
G
of seeing me dying
C **D**
everythime I sing a song.

Em
It s all kind of useless
G
and it makes me even
C **D**
a bit more depressed than I already am.

Em **G**
And you have to tell me if I am annoying
C **D**
cause I can still move to Africa.

But if you don t mind then
Em **G**
please, please don t stop smiling at me,
C

cause I can't bet a thought
D
that you don't love me at all.
Em D
Please, please let me think
C D
you are thinking of me, of me.
