Devil s always with that lady,  
she carries him in her left hand

**F5 A5-A5-G5-A5-A5-A5**

I know it s never gonna be different  
And I know she ll carry him for life

And she thought she could be happy  
if she left her love behind

I know it s never gonna be that way  
a grain of sand can t hide her pain

**A5 G5**

I am so far away from you

**F5 E5**

And so far away from pain

**H5 C5 D5 E5**

I ve been in prison for long eight years
