How does it feel

To treat me like you do

When you ve laid your hands upon me

And told me who you are

I thought I was mistaken

And I thought I heard your words

Tell me how do I feel

Tell me now how do I feel

Those who came before me

Lived through their vocations

From the past until completion

They ll turn away no more

And I still find it so hard

To say what I need to say

But I m quite sure that you ll tell me

Just how I should feel today

I see a ship in the harbor

I can t and shall I obey

But if it wasn t for your misfortune

I d be a heavenly person today

And I thought I was mistaken

And I thought I heard you speak

Tell me how do I feel

Tell me now how should I feel

Treat me like you do
