I see all the goodness  
Inside, inside, inside  
And I know all the willing  
In high (in high), in high

Take it from me  
Your one of a kind  
In my eyes, in my eyes

And although we are done  
And that's how things go  
Oh, you turn the heat down low

But it's a hard enough  
To burn me, to cook me dry  
To say good bye

Don't let your tea cool down girl  
It's better warm than not at all

I see all the goodness  
Inside, inside, inside  
And I know all the willing  
In high (in high), in high

[instrumental]

I see all the goodness  
Inside, inside, inside  
And I know all the willing  
In her, in her, in her

I see all the goodness  
Inside, inside, inside

And I know all the willing  
In high (in high), in high

[instrumental]

I see all the goodness  
Inside, inside, inside  
And I know all the willing  
In her, in her, in her

I see the goodnessâ€|
