Intro:

**Gm**

**F C7 Gm F C7 Gm**

I meet you in the meantime  
In place so fine it moves my mind  
In the wind, in the wind, in  
To burn and be cindered  
And I ve been cindered so far

**F C7 Gm**

But I still love the quiet girl  
I still love the quiet girl  
I still love the quiet girl  
I still love the quiet

Play in the soft, soft grass  
Call in the wild wall I built it all  
Nice shadows casting my clouds  
Built to last and built to send up  
All to the colour of this world and on and on

But I still love the quiet girl  
I still love the quiet girl  
I still love the quiet girl  
I still love the quiet
