

**Cassie  
Flyleaf**

This is for the Acoustic version of the song, that is very different to the original, chords, melody and some different lyrics. My first tab on here, but I worked it out on Piano then checked on guitar and it sounds right.

**Em Cadd9**

**Em**  
The question asked in order

**Cadd9**  
To save her life or take it

**Em Cadd9**  
The answer no avoided death

and yes would make it

**Em**  
Do you believe in God?

**Cadd9**  
Written on the bullet

**Em**  
Say yes to pull the trigger

**Cadd9**  
And my Sister Cassie pulled it

**Em D**  
They didn't love their life so much

**Bm Cadd9**  
As to shrink from death

**Em D**  
Inspired in their footsteps

**Bm Cadd9**  
We will march ahead

**Em D Bm C**  
Don't be shocked that people die

**Em D Bm C**  
Be surprised you're still alive

**Em**

**Em** **Bm**  
All heads are bowed in silent reverence  
**Em** **Cadd9**

**Em** **Cadd9**  
The alter is filled with hearts of repentance  
**Em** **Cadd9**  
Perfect love kills all fear, rejoice in this deliverance

**Em** **D**  
They didn't love their lives so much  
**Em** **Cadd9**  
As to shrink from death  
**Em** **D**  
Inspired in their footsteps  
**Bm** **Cadd9**  
We will march ahead  
**Em** **D** **Bm** **C**  
Don't be shocked that people die
