18.      **Am**            **F**                    **C**                    **G**  
Tonight He is born so one day He can die
19.      **Am**                    **F**                    **C**                    **G**  
To heal hearts that are torn and live the perfect life
20.      **Am**            **F**                    **C**                    **G**                    **Am**  
So He can hang upon a cross and we can take His life
21.      **F**                    **C**                    **G**  
So we can live as sinners and He can pay the price
22.      **Am**            **F**                    **C**                    **G**                    **Am**  
Tonight He is born so one day He can die
23.      **F**                    **C**                    **G**  
But He will rise again
