If you want more of this
We can push out, sell out, die out
So you ll shut up (shut up)
And stay sleeping
With my screaming in your itching ears

I m so sick, infected with where I live
Let me live without this
Empty bliss, selfishness
I m so sick
I m so sick

Hear it, I m screaming it
You re heeding to it now

Hear it, I m screaming it
You tremble at this sound

You sink into my clothes
This invasion makes me feel
Worthless, hopeless, sick

I m so sick, infected with where I live
Let me live without this
Empty bliss, selfishness

I m so, I m so sick

I m so sick, infected with where I live

Let me live without this

Empty bliss, selfishness

I m so (I m so)

I m so sick (I m so sick)

I m so (I m so)

I m so sick (I m so sick)
