Justice And Mercy
Flyleaf
Capo :3
    C
We can t be oblivious
We are not ignorant
Blood in our hearts
Blood on our hands
         C
We re human, We reason
We re breathing, Protecting
You re living and dying, surviving, we re trying
To breathe in safety
Come home safely
Mercy screams its violent love
Justice and mercy
Justice and mercy
The death of us created for
Justice and mercy
Justice and mercy
                          G
                                C
This is where they kiss
С
Life, here sacrificed
Someone who payed the price
Blood in our hearts
Blood on our hands
We cry out, we re fighting, it s warfare, we re dying
```

Believing we re winning, it s ending, we re singing

G It s already done C We ve overcome Mercy screams its violent love Justice and mercy Justice and mercy The death of us created for Justice and mercy Justice and mercy G F This is where they kiss With a life on the line (the fire..) That consumes or refines (the fire..) To ascend or decline F To retreat or to climb Out of sight, out of mind til attacked from behind Will this fire.. Consume or refine?

Mercy screams its violent love F

Justice and mercy
Justice and mercy

The death of us created for

Justice and mercy
Justice and mercy
